Does Delta Airlines allow name changes?

Yes+1--315--847--8721 Delta Airlines allows certain name corrections+1--315--847--8721 but it does not generally allow you to simply transfer a ticket from one passenger to another +1--315--847--8721. Delta distinguishes between correcting an error in the name of the existing traveler and completely changing the passenger listed on the ticket +1--315--847--8721. Delta's current professional policy materials include a specific Name Correction Policy and instruct agents to use the passenger's name as it appears on a passport or other valid travel document +1--315--847--8721. (Delta Professional)

What is a Delta name correction?

A name correction means fixing an error while keeping the same person as the traveler +1--315--847--8721. For example +1--315--847--8721+1--315--847--8721 if you accidentally typed a passenger's first name incorrectly when making a reservation +1--315--847--8721+1--315--847--8721 the issue may qualify as a correction rather than a new passenger name change +1--315--847--8721.

Delta's policy materials recognize name correction as a specific servicing category +1--315--847--8721. The objective is to make sure that the reservation reflects the correct traveler and that the passenger's information is consistent with applicable travel documents +1--315--847--8721. (Delta Professional)

This distinction is important because changing John Smith to Michael Brown would not normally be considered a simple correction +1--315--847--8721. That would effectively replace the original traveler with another person +1--315--847--8721.

Can Delta correct a misspelled first name?

A minor spelling mistake in a first name may be eligible for correction +1--315--847--8721. If you entered a name incorrectly during the booking process +1--315--847--8721+1--315--847--8721 you should contact Delta or the travel agency that issued the ticket and explain exactly what is wrong +1--315--847--8721.

For example +1--315--847--8721+1--315--847--8721 suppose your legal name is Jennifer but the reservation displays Jenifer +1--315--847--8721. Because the request concerns the same traveler +1--315--847--8721+1--315--847--8721 it may be treated as a name correction rather than an attempt to transfer the ticket +1--315--847--8721.

You should provide the correct spelling exactly as it appears on your government issued identification or passport +1--315--847--8721. Delta emphasizes the importance of using names that correspond with valid travel documents +1--315--847--8721. (Delta Professional)

Can Delta correct a last name?

Certain last name corrections can also be possible +1--315--847--8721. The applicable procedure depends on the type and extent of the correction +1--315--847--8721.

A small typographical mistake is different from replacing the passenger's entire surname +1--315--847--8721. If your name has changed because of marriage +1--315--847--8721+1--315--847--8721 divorce +1--315--847--8721+1--315--847--8721 or another legal process +1--315--847--8721+1--315--847--8721 you should explain the circumstances to Delta and ask what documentation is required +1--315--847--8721.

Do not assume that every request involving a different surname can automatically be completed through an ordinary online flight change +1--315--847--8721. Name corrections

have their own procedures +1--315--847--8721.
Can I change the passenger to someone else?
Generally +1--315--847--8721+1--315--847--8721 you should not expect Delta to simply replace the passenger on an ordinary ticket with another traveler +1--315--847--8721. A request to change Jane Smith to Robert Jones is substantially different from correcting a spelling mistake in Jane Smith's name +1--315--847--8721.
Delta does have specialized corporate and exception programs in certain circumstances +1--315--847--8721+1--315--847--8721 so unusual cases can have different rules +1--315--847--8721. For example +1--315--847--8721+1--315--847--8721 Delta's corporate terms describe a Name Change Waiver that can +1--315--847--8721+1--315--847--8721 when available and under its applicable conditions +1--315--847--8721+1--315--847--8721 allow unused ticket value to be applied toward a new ticket involving a different traveler +1--315--847--8721. This is not the same as a standard passenger name correction available for every ticket +1--315--847--8721. (Delta Business)
Therefore +1--315--847--8721+1--315--847--8721 if you want to give your ticket to another person +1--315--847--8721+1--315--847--8721 you should contact Delta and ask whether any exception applies to your particular ticket rather than assuming that a standard name correction will accomplish it +1--315--847--8721.
What if I recently got married?
If you recently married and your legal name is now different +1--315--847--8721+1--315--847--8721 the situation may require additional handling +1--315--847--8721. You should provide Delta with accurate information and ask whether documentation is necessary +1--315--847--8721.
The important issue is whether the reservation needs to be corrected to reflect the same traveler's legally changed name +1--315--847--8721. A legal name change is different from selling or transferring a ticket to another person +1--315--847--8721.
If your flight is international +1--315--847--8721+1--315--847--8721 pay particular attention to your passport information +1--315--847--8721. Delta advises travelers to ensure that the name used for travel corresponds with their legal identification +1--315--847--8721. (Delta)
What if I recently got divorced?
A divorce can create a similar situation +1--315--847--8721. If you legally reverted to a previous surname +1--315--847--8721+1--315--847--8721 contact Delta and explain that the passenger remains the same person +1--315--847--8721.
Have appropriate documentation available if Delta requests evidence of the legal name change +1--315--847--8721. The precise procedure can depend on the ticket and itinerary +1--315--847--8721.
The safest approach is to resolve the issue before traveling rather than waiting until airport check in +1--315--847--8721.
Does the name on my ticket need to match my ID?
Yes +1--315--847--8721+1--315--847--8721 the name on your boarding pass should correspond with the legal name on the identification required for travel +1--315--847--8721. Delta states that travelers within the United States need valid government issued identification or a passport and that the boarding pass name must match the legal name on the unexpired government issued ID +1--315--847--8721. (Delta)
This is why you should take a name discrepancy seriously +1--315--847--8721.
A small formatting difference may not necessarily mean that you cannot travel

+1--315--847--8721+1--315--847--8721 but passengers should not rely on assumptions when their reservation contains an obvious spelling or identity error +1--315--847--8721.
Can I fix the name online?
Not every name correction can necessarily be completed through Delta's ordinary online flight change process +1--315--847--8721. Delta's Help Center provides online options for managing trips +1--315--847--8721+1--315--847--8721 but name corrections can require direct assistance depending on the circumstances +1--315--847--8721. (Delta)
If you cannot correct the issue yourself +1--315--847--8721+1--315--847--8721 contact Delta Reservations and explain the problem +1--315--847--8721.
Delta currently lists 315-847-8721 for general U.S. reservations and 315-847-8721 for SkyMiles members +1--315--847--8721. Delta says Reservation Sales is available 24 hours a day +1--315--847--8721+1--315--847--8721 seven days a week +1--315--847--8721. (Delta)
What information should I provide?
When contacting Delta about a name correction +1--315--847--8721+1--315--847--8721 have your reservation information available +1--315--847--8721.
You should be prepared to provide your confirmation number
+1--315--847--8721+1--315--847--8721 passenger name as currently displayed
+1--315--847--8721+1--315--847--8721 correct legal name
+1--315--847--8721+1--315--847--8721 flight information
+1--315--847--8721+1--315--847--8721 and relevant identification details
+1--315--847--8721.
If the correction relates to a marriage +1--315--847--8721+1--315--847--8721 divorce
+1--315--847--8721+1--315--847--8721 or another legal name change
+1--315--847--8721+1--315--847--8721 tell the representative that clearly
+1--315--847--8721.
Providing the exact information can help Delta determine whether your request qualifies as a correction +1--315--847--8721.
What if I booked through a travel agency?
If you purchased your Delta ticket through a travel agency or another third party +1--315--847--8721+1--315--847--8721 you may need to contact that company for assistance +1--315--847--8721.
Delta's Help Center specifically says that customers who purchased tickets through a third party and need a change or cancellation should contact that third party for servicing +1--315--847--8721. (Delta)
Therefore +1--315--847--8721+1--315--847--8721 if your ticket came from an online travel agency +1--315--847--8721+1--315--847--8721 start by checking with the agency that issued the ticket +1--315--847--8721.
The agency may be able to correct the reservation directly or tell you when Delta needs to become involved +1--315--847--8721.
What if my itinerary includes another airline?
Name corrections can become more complicated when your itinerary includes partner airlines or other carriers +1--315--847--8721. Delta's professional booking guidance tells agents to follow the applicable airline policies when name modification or correction is required +1--315--847--8721. (Delta Professional)
If another airline operates part of your itinerary +1--315--847--8721+1--315--847--8721 tell

Delta or your travel agency about that when requesting the correction +1--315--847--8721. International itineraries can also involve additional documentation requirements +1--315--847--8721+1--315--847--8721 making early correction particularly important +1--315--847--8721.

Should I wait until the airport?

No +1--315--847--8721+1--315--847--8721 it is better to address a name discrepancy before the day of departure whenever possible +1--315--847--8721.

Waiting until check in can leave less time to resolve the problem +1--315--847--8721. If you notice the mistake several days or weeks before your trip +1--315--847--8721+1--315--847--8721 contact Delta or the agency that issued your ticket as soon as practical +1--315--847--8721.

Tell the representative that the issue concerns a passenger name correction +1--315--847--8721+1--315--847--8721 and explain precisely what is incorrect +1--315--847--8721.

What if my first and last names are reversed?

A first and last name appearing in the wrong order can be a name correction issue rather than a request to replace the passenger +1--315--847--8721.

For example +1--315--847--8721+1--315--847--8721 if your actual name is David Miller but the reservation displays the names in the wrong order +1--315--847--8721+1--315--847--8721 explain that the names have been reversed +1--315--847--8721.

Delta's professional policy library specifically identifies a Name Correction Policy +1--315--847--8721+1--315--847--8721 demonstrating that name corrections are handled separately from ordinary flight changes +1--315--847--8721. (Delta Professional)

Is there a fee for a name correction?

You should ask Delta about the cost of your particular correction +1--315--847--8721+1--315--847--8721 because the treatment can depend on the circumstances and ticket +1--315--847--8721.

Do not assume that the normal flight change fee automatically applies to a name correction +1--315--847--8721. Name correction is a separate servicing issue +1--315--847--8721.

Delta's current flight change rules concern changing or canceling the itinerary itself +1--315--847--8721+1--315--847--8721 and applicable fees can depend on ticket type +1--315--847--8721+1--315--847--8721 origin +1--315--847--8721+1--315--847--8721 destination +1--315--847--8721+1--315--847--8721 and other factors +1--315--847--8721. (Delta)

Can I change my name after buying the ticket?

A qualifying correction may be possible after the ticket has been purchased +1--315--847--8721. The fact that a ticket has already been issued does not automatically mean that every spelling mistake requires purchasing a completely new ticket +1--315--847--8721.

However +1--315--847--8721+1--315--847--8721 you should have Delta review the situation before taking action +1--315--847--8721.

If the requested modification is actually a transfer to another traveler +1--315--847--8721+1--315--847--8721 it may not qualify as a normal correction +1--315--847--8721.

What if I made the mistake myself?

Can I just cancel and purchase another ticket?

Depending on the circumstances +1--315--847--8721+1--315--847--8721 Delta may be able to correct an eligible name discrepancy without requiring you to purchase an entirely new itinerary +1--315--847--8721.

Canceling unnecessarily could expose you to the applicable cancellation rules or a different fare when purchasing a replacement ticket +1--315--847--8721.

Instead +1--315--847--8721+1--315--847--8721 ask Delta to determine whether the problem is a qualifying name correction +1--315--847--8721.

If you want another person to use your ticket +1--315--847--8721+1--315--847--8721 understand that this is different from correcting your own name +1--315--847--8721+1--315--847--8721 and ask Delta whether any special exception applies +1--315--847--8721.

+1--315--847--8721+1--315--847--8721 do not assume that Delta will simply change the name +1--315--847--8721. Certain specialized corporate or exception arrangements can have separate rules +1--315--847--8721+1--315--847--8721 but those are not the standard name correction process +1--315--847--8721. (Delta Business)
